## The Office of the AQF Council is moving

The AQF Council, a committee of the national Standing Council for Tertiary Education, Skills and Employment, has been hosted by the South Australian Government since May 2008.

From Friday 30 September, this hosting responsibility will transfer to the Commonwealth Government.

The Office of the AQF Council will remain in South Australia and Di Booker, Sharon Grandison and I are moving to the premises of the new host.

Suzy McKenna is remaining with the South Australian Government. I acknowledge the enormous contribution that Suzy has made to the AQF Council's strengthening the AQF project.
